Stay confident

Total comfort means being able to rely on your ecobee—and that's what a professional installation gives you.

Control from anywhere

Customers can control their ecobee from anywhere with an iOS or Android device.

Heading home early?

Change your schedule remotely to ensure comfort when you arrive.

Extending your vacation?

Enjoy further savings by letting your ecobee3 lite know.

Learn more about what your thermostat can do at ecobee.com.

Helps manage hot or cold spots

Pairs with Room Sensors™ to help with hot or cold spots throughout the home.

Room Sensors measure temperature to deliver comfort to the rooms that matter most. Sold separately.

At your convenience

Monitors heating and cooling systems and alerts customers if it senses something is wrong.
